Workplace Leadership Facilitator: Linton Sellen of Training Plus is an experienced manager, trainer and trainer of supervisors. He has won awards for his leadership, presentation skills and training ability. He received his post secondary education from the Faculty of Management and the Faculty of Law at the University of Manitoba. Linton earned his multi-engine pilot wings, the highest instructional category available from the Canadian Air Force. With this and his commission as an officer he was put in charge of the training and evaluation of Air Force supervisors and instructors. He also acquired years of first-hand practical experience as a manager, coach, and leader. For the last nine years, Linton has conducted on sight and classroom training of managers and supervisors and provided leadership consultation to businesses and other organizations through the company *Training Plus*. Specializing in the area of leadership development he has developed the *Workplace Leader Course* to address the issues faced by the leader in the modern workplace.
