QNET presents:

Enhancing Employee Engagement in Manitoba

Tuesday, May 5, 2009 – 7:30 a.m. to 9:30 a.m.

Have you ever wondered what Manitoba employees have to say about employee engagement?

This session will provide a summary of the results of a recent research project on Enhancing Employee Engagement in Manitoba. Find out what Manitoba employees say about employee engagement, what factors enhance their engagement, and how leadership plays a role in enhancing employee engagement.

This research study was conducted as part of the requirements for a Masters in Leadership at Royal Roads University. The session will provide information on the research question, data analysis and recommendations.

Presenter:

Yvonne Thompson is a business leader and human resource specialist. Her business, Change Innovators, offers consulting and training programs which focus on the overall wellness of organizations, specializing in organizational development, leadership and change management. Yvonne teaches at Red River College and the University of Winnipeg, and is also an Accredited INSIGHTS facilitator. She has written various published articles on the subjects of leadership and wellness. Yvonne will complete her Masters in Leadership from Royal Roads University in June of 2009.
