

LEADERSHIP & MANAGEMENT

QNET presents:

Certificate in Management Development for Organizational Effectiveness

Fall 2012 – In Winnipeg

Whether you are new to management or need to upgrade your skills, the QNET Certificate in Management Development (CMD) covers a full range of management and leadership responsibilities. This flexible program is designed to meet your individual performance and training requirements while working within your busy and demanding schedule. Most courses are one full day.

Earn a certificate by completing 70 credit hours - 42 core hours (6 workshop days) and 28 optional hours (4 workshop days). Full attendance and participation are required to receive course credit.

Core Courses:

- **Management Essentials** – Thursday, September 27
- **Effective Conflict Resolution** – Thursday, October 4
- **Making Personality Work** – Thursday, October 18
- **HR for Managers** – Thursday, October 25
- **Simple Rules for Organizational Change** – Thursday, November 8
- **Emotional Intelligence** – Thursday, November 15

Visit www.qnet.ca - **Programs – Certificate in Management Development (CMD)** for dates and further information on **Optional Courses**. Courses vary each fall and spring, covering topics such as: Strategic Planning, Project Management, Business Writing, Appreciative Enquiry, Managing Four Generations, Social Capital, Workplace Investigations, Mentoring, Problem Solving, Lean Principles, Organizational Risk, Mental Health in the Workplace, Workplace Violence, and Coaching.

Professional Development Package – Purchase a Professional Development Package (core course package) and send various staff members from one organization.
