

LEADERSHIP & MANAGEMENT

QNET presents:

Certificate in Change Management

Living and Leading Change for the Change Leader

A three day certificate program - Wednesdays, January 16, 23, 30, 2013 – 8:15 a.m. to 4:15 p.m. all three days

Location: QNET – Suite 660, 175 Hargrave Street, Winnipeg

The Certificate in Change Management has been specifically designed for managers and leaders who will be responsible for facilitating and supporting change.

As the leader of change, you play an important role in the success or failure of the change initiative in your organization. This comprehensive change leadership program gives you the information and tools needed to navigate change successfully in your organization

In this program, you will combine knowledge about effective leadership with the human and organizational dynamics of change. It is the integration of these key areas that **improves your skill, competence and confidence to create successful and sustainable organizational change.**

Using activities and case studies to support your learning, you will work through the change methodology and tools to **learn how to structure a change initiative in your organization.**

This program is:

- An optional course valued as 21 hours in the 70 credit hour QNET Certificate in Management Development (CMD)
- Eligible for credit in the Certificate in Applied Management: Organizational Effectiveness with the University of MB, Continuing Education

Facilitator: Dawn-Marie Turner, Ph.D., President of Turner Change Management, is an international researcher, speaker, trainer, writer, and certified management consultant (CMC). She has fifteen years of experience in change programming, transition planning and change management coaching. With a doctorate in applied management and decision science from Walden University in Minnesota, Dawn-Marie has developed her own proprietary change transition methodology – DEAM®. She has been a speaker at national and international conferences and her work has been published in the International Journal of Quality and Service Sciences and the International Journal of Knowledge, Culture and Change Management. Dr. Turner works to help her clients use change to increase their competitive advantage.

This session is presented by QNET in partnership with APICS Winnipeg Chapter and Industry Workforce Development, Manitoba Entrepreneurship, Training and Trade
