

LEADERSHIP & MANAGEMENT

QNET presents:

The Power of Mind Mapping®

Tuesday, February 28, 2017 – 8:15 a.m. to 4:15 p.m.

Location: QNET – Suite 660, 175 Hargrave Street, Winnipeg

Mind Mapping®, developed by Tony Buzan, is a powerful graphic technique that uses colour, key images and words to summarize, sort and retain information, replacing traditional note taking or note making.

Imagine what you could accomplish if you were able to:

- Browse and sort information quickly
- Focus on essential ideas
- Connect new information to what you already know
- Organize your thinking for maximum concentration, productivity, creativity and recall

During this one day course you will:

- Discover the benefits of Mind Mapping®
- Learn how to Mind Map®
- Apply it to planning and summarizing
- Identify job-specific uses

Once you learn the basics, you can use Mind Mapping® to think, plan and manage projects, document processes and meetings, summarize articles, books and reports and prepare presentations.

If you're looking for ways to maximize your ability to think, create, or learn, then this course is for you.

Facilitator: Bobbie Marshall is a professional coach, trainer, and service strategist, working with executives, teams and individuals in the areas of Mind Mapping, Customer Service, Communication and Leadership. By blending insight, expertise and a sprinkle of humour, she helps unlock the hidden talents and understanding that support individuals to achieve even more. Her approach combines brain-friendly methods and tools, time-tested techniques, and strategies that fast-track progress and gain results. Bobbie's clientele is diverse – from large corporations to small entrepreneurial environments in both the private and public sectors.

This workshop is:

- An optional course in the 70 credit hour QNET Certificate in Management Development (CMD).
- Eligible for credit in the CAM:OE (Certificate in Applied Management: Organizational Effectiveness) in partnership with the University of Manitoba, Continuing Education.
- Presented by QNET in partnership with APICS Winnipeg, Manitoba Aerospace, and Industry Services, Jobs and the Economy, Province of Manitoba

Fee: (includes a light lunch)

- \$349.00 + GST for Members of QNET or APICS or MB Aerospace
- \$419.00 + GST for Non-Members
