

LEADERSHIP & MANAGEMENT

QNET presents:

The Power of Mind Mapping®

Tuesday, April 7, 2020 – 8:15 a.m. to 4:15 p.m.

Location: QNET – Suite 660, 175 Hargrave Street, Winnipeg

Mind Mapping®, developed by Tony Buzan, is a powerful graphic technique that uses colour, key images and words to summarize, sort and retain information, replacing traditional note taking or note making.

Imagine what you could accomplish if you were able to:

- Browse and sort information quickly
- Focus on essential ideas
- Organize your thinking for maximum concentration, productivity, creativity and recall
- Visually represent moving parts of a project
- Connect new information to what you already know

At this workshop you will:

- Discover the benefits of Mind Mapping®
- Learn how to Mind Map® with in-class practice
- Apply it to planning and summarizing
- Identify job-specific uses
- Watch how to easily create Mind Maps using software

Once you learn the basics, you can use Mind Mapping® to help you think, plan, manage projects, prepare presentations, document processes, summarize reports, articles or books.

If you're looking for ways to maximize your ability to think, create, or learn, then this course is for you.

Facilitator: Bobbie Marshall is a Service and Communication strategist, working with executives, teams and individuals in the areas of Mind Mapping, Customer Service, Communication and Leadership. By blending insight, expertise and a sprinkle of humour, she helps unlock the hidden talents and understanding that support individuals to achieve even more. Her approach combines brain-friendly methods, time-tested techniques, and strategies that fast-track progress and gain results. Bobbie's clientele is diverse – from large corporations to small entrepreneurial environments in private, non-profit and public sectors.

This workshop is:

- An optional course in the 70 credit hour QNET Certificate in Management Development (CMD).
- Eligible for credit in the CAM:OE (Certificate in Applied Management: Organizational Effectiveness) in partnership with the University of Manitoba, Continuing Education.
- Presented by QNET in partnership with APICS Winnipeg, MB Aerospace, and Manitoba Education and Training

Fee: (includes a light lunch)

- \$399.00 + GST for Members of QNET or APICS or MB Aerospace
- \$469.00 + GST for Non-Members
