

LEADERSHIP & MANAGEMENT

QNET presents the two-day workshop:

Project Management: A Practical Approach (a two day workshop)

Tuesday, April 21 and Thursday, April 30, 2009 – 8:15 a.m. to 4:15 p.m. (both days)

Learn how to manage your projects successfully with some practical skills such as project planning, scheduling, tracking, change management and reporting. The workshop also emphasizes the importance of working with people to clarify expectations, define roles, and build commitment. The first day is an overview of the topic areas and the second day is a practical case project starting at initiation, through planning, execution, and control to closure for practice in applying the skills learned.

Topic areas:

- What are: projects, project management, and project managers
- Know the destination: scope definition
- Laying a route: work breakdown structure, schedule, and risk
- The human side: resources, responsibilities, and relationships
- Making headway: controlling scope, reporting progress

Presenter: Allison Atkey, Atkey Consulting Inc. has managed a wide range of projects including project launches, organization change initiatives, and application development.

This workshop is:

- An optional course in the 70 credit hour [Certificate in Management Development \(CMD\)](#)
- Eligible for credit in the [CAM:OE \(Certificate in Applied Management: Organizational Effectiveness\)](#) in partnership with the University of Manitoba Continuing Education
