**Learning to Speak With Confidence**

Thursday, June 17, 2010 – 11:30 a.m. to 1:30 p.m.

Just because Public Speaking is one of the top 10 fears in North America, it doesn't mean you won't have to do it. In fact, the ability to effectively communicate to an audience of 1 or 100 is the highest ranked reason for job advancement and business success.

Learning to speak with confidence can boost your career, improve sales and most of all... it gets easier with practice. Before taking the stage, take the time to learn some of the public speaking basics and secrets from the pros. Join us in the humorous yet practical session as we discover how to:

- Hit the target with your message
- Use your voice to engage your audience
- Eliminate distracting body language
- Turn nervousness into energy
- Tell stories that sell
