QNET Presents:

Managing Workplace Violence

Friday, December 10, 2010 - 8:15 p.m. to 4:15 p.m. – **SOLD OUT**

Wednesday, December 15, 2010 - 8:15 p.m. to 4:15 p.m.

New regulations concerning working alone, harassment and violence came into force in Manitoba in 2007. Regulations require employers to identify and assess the risk of violence in the workplace, instruct workers about the risk as well as have policies on violence and harassment in the workplace.

On February 1, 2011 amendments to the *regulations under the Workplace Safety and Health Act* in Manitoba will impose additional requirements to the changes implemented in 2007.

In addition to a review of the new amendments, workshop learning objectives will include:

- Understanding the social and legal framework around workplace violence;
- Defining what is violence;
- Examining risk factors for workplace violence, and assessing your workplace for risk;
- Preventing and responding to workplace violence;
- Drafting and implementing a workplace violence policy and strategy.
