

POSITIVELY DERAILED

Thoughtfully navigating forward

MANITOBA'S CONFERENCE FOR LEADERS | MAY 16, 2023 | PRESENTED BY QNET

On May 16, 2023, QNET is hosting [Manitoba's Conference for Leaders](#) and this year, we're inviting all leaders to explore what it means to be "Positively Derailed" and how to thoughtfully navigate forward.

With 4 different streams (leadership, quality, wellness, and tools) you'll learn research-based tools and actionable strategies for solving current leadership challenges. These techniques will help leaders at any level navigate topics like; diversity, inclusion, using wellness as a way to improve productivity, and adapting to the ever changing workplace environment.

Featuring speakers such as New York Times best-selling author, Dr. Liane Davey and international speaker, Anthony McLean, among others, this will be a day you don't want to miss! These experts will cover a variety of topics during themed sessions which you get to choose and tailor to your leadership needs.

Our annual QNET conference is beneficial for both young and seasoned leaders, and the lineup is selected to ensure there is growth and development for you to be the best leader can be, both in your organization and outside the workplace. We look forward to welcoming you!
